

MAUI SCIENCE AND TECHNOLOGY EDUCATION EXCHANGE

THURSDAY, MARCH 1, 2007
4:00 – 7:30 PM
WAILEA MARRIOTT RESORT

Thank you for joining the Center for Adaptive Optics (CfAO) at the Maui Science and Technology Education Exchange (MSTEE). In 2007 MSTEE will highlight:

- The Akamai Program
- Designing effective research projects for college level interns
- CfAO curriculum
- 2007 CfAO education teams

Schedule:

- 4:00 – 4:10 Welcome and Overview – Lisa Hunter (Ilima Room)
- 4:10 – 4:40 Akamai Alumni Talks – Vicky Sensano (Maui) & David Luis (Big Island)
- 4:40 – 5:40 Designing Effective Internship Projects
Session Chair: Jason Porter, CfAO/University of Houston
- 5:40 – 6:20 Presentations
Leslie Wilkins, Maui Economic Development Board
Mark Hoffman, Maui Community College
Jeff Kuhn, Institute for Astronomy
Lisa Hunter, Center for Adaptive Optics
- 6:20 – 6:35 CfAO Education Poster “ads”
- 6:35 – 7:30 Posters and Pupu’s (Mauna Loa Room)

The partnership for this event is the Center for Adaptive Optics, the Maui Economic Development Board, Maui Community College, the Institute for Astronomy, and the Air Force Maui Optical and Supercomputing Site
